

Power in your Palm

Product information at your fingertips

WorkEzy™ Product Manager gives you product and pricing information at your fingertips, any time, anywhere you need it. A pocket-sized Palm OS® handheld device is all you need on sales visits. It acts as a mobile catalogue that carries updated inventory data such as product description, price, stock status and purchase cost. Transfer data easily and quickly from your inventory control system to the Palm OS® handheld with a simple touch of the screen. Product managers and sales personnel will enjoy the speed in serving their sales prospects.
